

Transformation® advocates breastfeeding as the optimum source of nutrition for healthy growth and development. We created **Kidz Digest** because we understand there are circumstances that prevent breastfeeding.\* Whether breast fed or formula fed, this Transformation Enzyme® formulation assists with digestion to alleviate symptoms of occasional gas and bloating.\*

**NO UNNECESSARY INGREDIENTS**

**RECOMMENDED USAGE:** Mix ½ scoop (approximately ⅛ tsp or 266 mg) in a small amount of tepid water just prior to feeding or as directed by a health care professional. Do not add to a bottle of formula or mix in food because it will break down the food in the container making it less palatable.

**Must be refrigerated to retain optimum activity.**

Store tightly sealed in a cool, dry place.  
Keep out of reach of children.

**\*THESE STATEMENTS HAVE NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION. THIS PRODUCT IS NOT INTENDED TO DIAGNOSE, TREAT, CURE, OR PREVENT ANY DISEASE.**
